Resolution FHR 03-18 Read into record by Mayor Martin

Police Department Report – Chief Watkins

Report on file

Old Business

- Roof Update – our contractor has ordered materials. After pre-conference he will let us know.
- Tips program website – Tips.com the Merchants are approved by the state.
- Vacant lot ordinance – has been corrected.
- Red Light cameras – percentages were correct. Chief Watkins said we need to get this approved soon. They will supply us with a DVR to use with it. Will hold off on license plate reader because we don't have the personnel and it would cost a lot. Want to go with the DVR contract, it's already printed up.

Mayor Martin

- Received email from Mr. Jordan's daughter repeating violations, she need to contact Mr. Pinkney. She had requested an extension of eight months.
- 724 60th Avenue the building next to the apartment is falling down.
- Need to get some budget meeting dates.

Mayor Martin

Budget meeting dates, will be discussed with Mrs. Walker.

Would like the process of doing one on one with old Council Members and new Council Members.

One of the last things I want to say is I want to look at a unified Council and we have to plan and persue. Would like to have training and a décor.

Sherri, yesterday you were your best Sherri. You did a wonderful job out there spreading love to the community. This is to be put on record.

I want to plan another retreat because we have new Council members.

One good thing is that we got the referendum through.

Councilmember Downing- They gave us an estimated start date for resurfacing the first block of Sheriff Road in the fiscal year 2019. We are on the list for July, August and September.

Motion made by Councilmember Saunders to adjourn, second by Councilmember Ukkundo'Oohwaka.

Adjourned 9:15 p.m.
